- Strong decision maker
- Problem solver
- Creative design
- Social Networking
- Good Communication Skills
- Eagerness to learn new things

### LANGUAGES

- Nepali
- English
- Hindi

### PROFILE

As a full-stack developer, I'm well versed in a wide range of computer languages, including HTML5, CSS, JavaScript, C++, C#, Java, PHP and Wordpress. My knowledge includes popular frameworks and libraries such as React and Bootstrap, which allow me to create dynamic and responsive user interfaces. Additionally, I have experience adapting and using the capabilities of WordPress for content management solutions. I thrive on taking the initiative and contributing well to collaborative team as a self-motivated enthusiast. My dedication to quality and collaborative nature make me an indispensable member of any development team.
